

1. Make sure your Wi-Fi is turned on.  
Note: **Options may vary depending on your phone.**
2. Once Wi-Fi is turned on Select our Guest Wi-Fi Network “**DGRC Guest**”

3. After selecting the DGRC Guest Network a notification should prompt you to sign into the network. The guest network will also be labeled with “**Sign in to the network.**” Select the notification.

4. Once you have selected the notification you should see our Guest Network splash page. That look like the page below. Select “**Continue to the Internet.**”

---

## Welcome to DGRC Guest

Welcome to Downers Grove Park District! This network access is provided to you on behalf of Downers Grove Park District. We hope you enjoy your experience. While you surf, please help us keep the network experience great for everyone. Save large uploads and downloads for a private connection. Thanks! Downers Grove Park District
